A trout fishing tournament on Lake Taneycomo in Branson, Missouri, will benefit the Branson Professional Firefighters. Proceeds go to local firefighters and families in need of emergency help with living expenses, medical bills and funeral expenses. It also aids visiting firefighters who find themselves in an emergency.

The entry fee for each two-man team is \$75, and Lilleys' Landing is again offering 50% off boat rentals for participants. There will be a Bass Pro Gift card and trophy awarded to first through third places and as well as for the angler bringing in the biggest fish. Free food will be offered after the tournament along with a fun raffle. Items have been donated from many Branson Businesses as raffle prizes. One ticket will be given to each team member and more will be available for purchase after the tournament.
